The following is an examiner's statement of reasons for allowance:

The instant application is deemed to be allowable over the prior art, because the prior art fails to disclose or render obvious the claimed prepolymer, having the claimed properties, derived from the claimed reactants in the claimed amounts.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
